

IASC Annual Conference 2024

We are delighted to announce that the Call for Papers for this year's IASC conference has been published! The conference, which is being organised in collaboration with the The City Palace Museum-Maharana of Mewar Charitable Foundation, Udaipur on **14th and 15th September 2024.**

Call for Papers

The IASC 2024 conference invite proposals for papers on the theme of

"Conservation, Technology, and Scientific Study of Ancient and Historic Metals"

Potential topics for papers include, but are not limited to, the following:

- Study and conservation treatment of ancient and historical metals
- Archaeometallurgy
- Arms and Armour
- Large metal artefacts
- Monetary heritage (Coins)
- Metal threads in embroidery
- Decorative and composite metals
- Military Heritage
- Storage and Collection Management
- Documentation of Metal crafting techniques
- Metal pigments in paintings and photographs
- Challenges and treatment of Outdoor metal sculptures/objects
- Updates on projects, galleries and activities relating to the overall themes of the conference.

Publication

The selected papers will be published in Vol. 43 of the Journal Conservation of Cultural Property in India (JCCPI). Papers should therefore be written to a standard suitable for academic publication, with appropriate referencing as per authors guideline provided.

Submission

To submit a proposal, please send an abstract (maximum 500 words) and a biography (maximum 200 words) via <https://iasc.paper-flow.com/>
